The SEMI Industry Strategy Symposium (ISS) Europe is the premier executive event addressing strategic and technological opportunities and challenges, as well as how to leverage European ecosystems for digital innovation.

2024 SYMPOSIUM HIGHLIGHTS

“ I have participated at ISS Europe for the past 15 years. With new focus, contents and speakers every year, I keep myself updated with new perspectives from our industry. Furthermore, it is the occasion to meet many business partners in one place to exchange valuable ideas.

Through sponsorship, we take part in sustaining ISS Europe and supporting not only a good program but also helping business partners to participate. EBARA cares about our community.

”
